Is better than the dream

I Push my fingers into my
Eyes it's the only thing that slowly stops the ache
But it's made of all the things I (1) to take
Jesus it never ends, to push it's way inside
If the pain goes on
I have screamed until my veins collapsed
I waited as my time elapsed
Now all I do is live with so much fate
I've wished for this, I've bitched at that
I've (2) behind this little fact
You cannot kill (3) you did not create
I've gotta say what I've gotta say
And then I swear I'll go away
But I can't promise you'll enjoy the noise
I guess I'll save the best for last
My future (4) like one big past
You're (5) (6) me 'cause you left me no
choice
I push my fingers into my eyes
It's the only thing that slowly stops the ache
If the pains goes on
I'm not gonna make it
Put me back together
Or separate the skin from bone
Leave me all the pieces
Then you can leave me alone

Tell me the reality

But I found out the hard way
Nothing is what it seems
push my fingers into my eyes
t's the only thing that slowly stops the ache
But it's made of all the things I have to take
Jesus it never ends, It works it's way inside
f the (7) (8) on
'm not gonna make it
All I've got
All I've got is insane
All I've got
All I've got is insane
All I've got
All I've got is insane
All I've got
All I've got is insane
push my fingers into my eyes
t's the only (9) that slowly stops the ache
But it's made of all the things I have to take
Jesus it never ends, It works it's way inside
f the pain goes on
'm not gonna make it
