

Fill in the gaps

I see me (1) you and all the things you do	I need you as my guide and my light
Keep turning round and (2) in my mind	My love is a flame
Forget the weather, we should always be together	That burns in your name
And any other (3) is unkind	We'll be together
To (4) you with me I would swim the sevens seas	We'll be together tonight (together)
I need you as my guide and my light	We'll be together (together)
My love is a flame that burns in (5) name	Together
We'll be together	We'll be together (together)
We'll be together tonight (together)	We'll be together (together)
We'll be together (together)	We'll be together tonight (together)
We'll be together (together)	We'll be together tonight (we'll be together)
We'll be together (together)	We'll be together tonight (together)
I see you with me and all I (6) to be	We'll be (8) tonight (we'll be together)
Is dancing here with you in my arms	We'll be together tonight (be together)
Forget the weather, we should always be together	We'll be together tonight (together)
I'll always be a slave to your charms	We'll be (9) (10)
