Waiting For The End by Linkin' Park

This is not the end		I know how it feels to lie,		
This is not the beginning,		All I wanna do		
Just a voice (1)	a riot		Is (17) this life for something new	
Rocking (2) (3)		Holding on to what I haven't got		
But you listen to the tone			What was left when that fire was gone?	
And the violent (4)			I thought it felt right but that right was wrong	
Though the words sound steady			All caught up in the eye of the storm	
Something empty's within 'em			And trying to figure out what it's like moving on	
We say Yeah!			And i don't even know what kind of things I've said	
With fists flying up in the air			My mouth kept moving and my mind went (18)	
Like we're holding (5)	something		So, picking up the pieces, now (19)	to begin?
That's (6)	there,		The hardest (20) of (21)	_ Is starting
'Cause we're living at the (7) of			again!!	
The (8) and the fear			All I wanna do	
Until we dead it, Forget it,			Is trade this life for something new	
Let it all disappear.			Holding on to what i haven't got	
Waiting for the end to come			This is not the end	
Wishing I had strength to stand			This is not the beginning,	
This is not what I had planned			Just a (22) like a riot	
It's out of my control			Rocking every revision	
Flying at the (9) of light			But you listen to the tone	
Thoughts (10) spinning in my head			And the violet rhythm	
So many things were (11) unsaid			Though the words sound steady	
It's hard to let you go			Something empty's within 'em	
(Oh!) I know (12)	it takes to move on,		(Holding on to (23) i haven't got)	
I know how it feels to lie,			We say Yeah!	
All I wanna do		With fists flying up in the air		
ls (13)	this (14)	for	Like we're holding onto (24)	_
(15)	_ new		That's invisible there,	
Holding on to (16) I haven't got			'Cause we're living at the mercy of	
Sitting in an empty room			The (25) and the fear	
Trying to forget the past			Until we dead it, Forget it,	
This was never meant to last,			Let it all disappear	
I wish it wasn't so			(Holding on to (26) i haven't got!)	
(Oh!) I know what it takes	to move on,
