

## Fill in the gaps

Two weeks away	Take all our time
It feels like the whole world should've changed	I've still got sand in
But I'm home now	And I can't shake t
And (1) still look the same	I should get on, for
I think I'll leave it till tomorrow to unpack	But why would I wa
Try to forget for one more night	I know we said goo
That I'm back in my flat on the road	Anything else woul
Where the cars never stop going through the night	l wanna see you a
To a life where I can watch sunset	l wanna see you a
I don't have time	I wanna see you a
I don't have time	Two weeks away
I've still got (2) in my shoes	All it takes
And I can't shake the thought of you	To change and turn
I should get on, forget you	I (5)
But why would I want to	And never (6)
I know we said goodbye	I've still got sand in
Anything else would've been confused but	And I can't shake t
I wanna see you again	I should get on, for
Tomorrow's back to (3) and down to sanity	But why (8)
Should run a bath	I know we said goo
And (4) clear up the mess I made before I left here	Anything else woul
Try to remind myself that I was happy here	I (9) :
Before I knew that I could get on the plane and fly away	l wanna see you a
From the road where the cars	l wanna see you a
Never stop going through the night	
To a life where I can watch sunset	
And take my time	

've still got sand in my shoes	
And I can't shake the thought of you	
should get on, forget you	
But why would I want to	
know we said goodbye	
Anything else would've been confused but	
wanna see you again	
wanna see you again	
wanna see you again	
Two weeks away	
All it takes	
To change and turn me around, I've fallen	
(5) away	
And never (6) that I wanted to s	ee agair
've still got sand in my shoes	
And I can't shake the (7)	of you
should get on, forget you	
But why (8) I want to	
know we said goodbye	
Anything else would've been confused but	
(9) see you again	
wanna see you again	
wanna see you again
