

## Fill in the gaps

I wo weeks away
It feels like the whole world should've changed
But I'm (1) now
And things still look the same
I think I'll leave it (2) tomorrow to unpack
Try to forget for one (3) night
That I'm back in my flat on the road
Where the (4) never stop going
(5) the night
To a life where I can (6) sunset
I don't have time
I don't have time
I've still got (7) in my shoes
And I can't shake the thought of you
I should get on, (8) you
But why would I (9) to
I know we (10) goodbye
Anything else would've been confused but
I wanna see you again
Tomorrow's (11) to work and down to sanity
Should run a bath
And then (12) up the mess I made before I left
here
Try to remind myself that I was happy here
Before I knew that I could get on the (13) and fly
away
From the road where the cars
Never stop (14) (15) the night
To a life where I can watch sunset
And take my time

Take all our time
I've still got sand in my shoes
And I can't (16) the thought of you
I (17) get on, forget you
But why (18) I (19) to
I know we said goodbye
Anything else would've (20)
(21) but
I wanna see you again
I wanna see you again
I (22) see you again
Two (23) away
All it takes
To change and turn me around, I've fallen
I walked away
And never (24) that I wanted to see again
I've (25) got sand in my shoes
And I can't (26) the thought of you
I (27) get on, forget you
But why (28) I want to
I know we said goodbye
Anything else would've been confused but
I wanna see you again
I wanna see you again
I wanna see you again
