

## Fill in the gaps

Two (1)	_ away	Take all our time	
It feels (2)	_ the whole world should've changed	I've still got sand in my shoes	
But I'm home now		And I can't shake the thought of you	
And things still look the same		I should get on, forget you	
I think I'll leave it till tomorrow to unpack		But why (8)	I want to
Try to forget for one more night		I know we (9)	goodbye
That I'm back in my flat on the road		Anything else would've been confused but	
Where the cars never stop going through the night		I wanna see you again	
To a life where I can watch sunset		I wanna see you again	
I don't have time		I wanna see you again	
I don't have time		Two weeks away	
I've still got sand in my shoes		All it takes	
And I can't shake the thought of you		To change and turn me around, I've fallen	
I should get on, forget you		I walked away	
But why would I want to		And never said that I wanted to see again	
I know we said goodbye		I've still got sand in my shoes	
Anything (3)	would've been confused but	And I can't shake the thought of you	
I wanna see you ag	gain	I (10)	get on, forget you
Tomorrow's back to work and down to sanity		But why would I want to	
Should run a bath		I know we said goodbye	
And then clear up the mess I made before I left here		Anything else would've been confused but	
Try to remind (4)_	that I was happy here	I wanna see you again	
Before I (5)	that I could get on the plane and fly	I wanna see you again	
away		I wanna see you again	
From the (6)	where the cars		
Never stop going th	nrough the night		
To a life where I ca	n watch sunset		
And (7)	my time
