

## Fill in the gaps

I must have dreamed a thousand dreams
Been hunted by a million screams
I can hear the marching feet
They're moving into the street
Now did you read the news today?
They say the danger's gone away
But I can see the fire's (1) alight
Burning into the night
There's too many men, too many people
Making too many problems
And not much love to go around
Can't you see, this is a land of confusion?
This is the world we live in
And these are the hands we're given
Use them and let's (2) trying
To make it a place worth living in
Superman, where are you now
Superman, where are you now When everything's (3) wrong somehow?
When everything's (3) wrong somehow?
When everything's (3) wrong somehow?  The man of steel, men of power
When everything's (3) wrong somehow? The man of steel, men of power Are losing control by the hour
When everything's (3) wrong somehow? The man of steel, men of power Are losing control by the hour This is the time, (4) is the place
When everything's (3) wrong somehow? The man of steel, men of power Are losing control by the hour This is the time, (4) is the place So we look for the future
When everything's (3) wrong somehow? The man of steel, men of power Are losing control by the hour This is the time, (4) is the place So we look for the future But there's not much love to go around

Use them and let's start trying
To make it a place worth (5) in
I remember (6) ago
When the sun was shining
And all the stars were bright all through the night
In the wake of this madness
As I held you tight, so long ago
I won't be coming home tonight
My generation will put it right
We're not just (7) promises
That we know we'll never keep
There's too many men
Too many people
Making too many problems
And not much (8) to go around
Can't you see, this is a land of confusion
This is the world we (9) in
And these are the hands we're given
Use them and let's start trying
To make it a place worth fighting for
This is a world we live in
And these are the (10) we're given
Stand up and let's start showing
Just where our lives are going to

- 1. still
- 2. start
- 3. gone
- 4. this
- 5. living
- 6. long
- 7. making
- 8. love
- 9. live
- 10. names
