SUB inglés

Your heart a break

Fill in the gaps

Give Your Heart A Break by Demi Lovato

The day I first met you	There's just so (11) you can take
You told me, you'd never fall in love	Give your heart a break
Now that I get you	Let me give (12) heart a break
I know fear is (1) it really was	Your heart a break
Now here we are, so close	(Oh yeah, yeah)
Yet so far, haven't I passed the test?	When your lips are on my lips
When will you realize	Then our (13) (14) as one
Baby, I'm not like the rest?	But you slip out of my (15) tips
Don't (2) break your heart	Every time you run
Wanna give (3) heart a break	(Whoa oh whoa)
I know you're scared, it's wrong	Don't wanna break (16) heart
Like you might make a mistake	I wanna give your (17) a break
There's just one (4) to live	I know you're scared, it's wrong
And there's no time to waste, to waste	Like you might make a mistake
So let me give your heart a break	There's (18) one (19) to live
Give your (5) a break	And there's no time to waste, to waste
Let me give your heart a break	So let me give your heart a break
Your heart a break	'Cause you've been (20) before
(Oh yeah, yeah)	I can see it in your eyes
On Sunday, you went home alone	You try to smile away
There were tears in your eyes	Some things you can't disguise
I called your cell phone, my love	Don't wanna break your heart
But you did not reply	Maybe I can (21) the ache, the ache
The world is (6) if we want it	So let me give your heart a break
We can take it, if you just take my hand	Give (22) (23) a break
There's no turning back now	Let me give your heart a break
Baby, try to understand	Your heart a break
Don't wanna break (7) heart	There's just so much you can take
Wanna give your (8) a break	Give your heart a break
I know you're scared, it's wrong	Let me (24) (25) (26)
Like you (9) make a mistake	break
There's just one life to live	Your (27) a break
And there's no (10) to waste, to waste	(Oh yeah, yeah)
So let me give your heart a break	The day I first met you
Give your heart a break	You told me you'd never fall in love
Let me give your heart a break
