## SUB inglés

Your heart a break

## Fill in the gaps

## Give Your Heart A Break by Demi Lovato

The day I first met you	There's just so (6) you can take
You told me, you'd never fall in love	Give your heart a break
Now that I get you	Let me give your heart a break
I know fear is what it (1) was	Your heart a break
Now here we are, so close	(Oh yeah, yeah)
Yet so far, haven't I passed the test?	When your lips are on my lips
When will you realize	Then our hearts beat as one
Baby, I'm not like the rest?	But you slip out of my finger tips
Don't wanna break your heart	Every time you run
Wanna give your heart a break	(Whoa oh whoa)
I know you're scared, it's wrong	Don't wanna break your heart
Like you might make a mistake	I wanna give your heart a break
There's just one life to live	I know you're scared, it's wrong
And there's no time to waste, to waste	Like you might make a mistake
So let me give your heart a break	There's just one (7) to live
Give (2) (3) a break	And there's no time to waste, to waste
Let me give your heart a break	So let me give your heart a break
Your heart a break	'Cause you've been hurt before
(Oh yeah, yeah)	I can see it in (8) eyes
On Sunday, you went (4) alone	You try to smile away
There were tears in your eyes	Some things you can't disguise
I called your cell phone, my love	Don't wanna break (9) heart
But you did not reply	Maybe I can ease the ache, the ache
The world is ours if we want it	So let me give your heart a break
We can take it, if you just take my hand	Give your heart a break
There's no turning back now	Let me (10) your heart a break
Baby, try to understand	Your heart a break
Don't wanna break your heart	There's just so much you can take
Wanna give your heart a break	Give your heart a break
I know you're scared, it's wrong	Let me give your heart a break
Like you might make a mistake	Your heart a break
There's just one life to live	(Oh yeah, yeah)
And there's no time to waste, to waste	The day I first met you
So let me give your heart a break	You told me you'd never fall in love
Give (5) heart a break	
Let me give your heart a break
