## Primadonna by Marina & The Diamonds

| Primadonna girl, yeah                                | Take a picture, I'm with the boys                   |
|------------------------------------------------------|-----------------------------------------------------|
| All I ever wanted was the world                      | Get what I (7) cause I asked for it                 |
| I can't help that I need it all                      | Not (8) I'm really (9)                              |
| The primadonna life, the rise and fall               | (10) of it                                          |
| You say that I'm kinda difficult                     | I'm living life like I'm in a play                  |
| But it's always someone else's fault                 | In the limelight I want to stay                     |
| Got you wrapped around my finger, babe               | I know I've got a big ego                           |
| You can count on me to misbehave                     | I really don't get why it's (11) a big deal, though |
| Primadonna girl                                      | Going up, going down, down, down                    |
| Would you do anything for me?                        | Anything for the crown, crown, crown                |
| Buy a big (1) ring for me?                           | With the (12) dimming down, down, down              |
| Would you get down on your knees for me?             | I spin around                                       |
| Pop that pretty question (2) now, baby               | 'Cause I'm a primadonna girl, yeah                  |
| Beauty queen on a (3) screen                         | All I (13) wanted was the world                     |
| Living life like I'm in a dream                      | I can't help (14) I need it all                     |
| I know I've got a big ego                            | The primadonna life, the rise and fall              |
| I really don't know why it's such a big deal, though | You say (15) I'm kinda difficult                    |
| I'm sad to the core, core                            | But it's (16) someone else's fault                  |
| Everything is a chore, chore, chore                  | Got you wrapped around my finger, babe              |
| When you give I want more, more, more                | You can count on me to misbehave                    |
| I wanna be adored                                    | Primadonna girl, yeah                               |
| 'Cause I'm a primadonna girl, yeah                   | All I ever (17) was the world                       |
| All I ever wanted was the world                      | I can't help that I need it all                     |
| I can't help (4) I need it all                       | The (18) life, the (19)                             |
| The primadonna life, the rise and fall               | and fall                                            |
| You say that I'm kinda difficult                     | You say that I'm (20) difficult                     |
| But it's always someone else's fault                 | But it's always (21) else's fault                   |
| Got you (5) around my finger, babe                   | Got you wrapped around my finger, babe              |
| You can count on me to misbehave                     | You can (22) on me to misbehave                     |
| Primadonna girl                                      | Primadonna girl                                     |
| Fill the (6) up with Celluloid                       |                                                     |
