A lonely mother gazing out of the window	Leaving a (7) of not on God given ray
Staring at a son that she just can't touch	Is it because my life is ten (8) of grey
If at any time he's in a jam, she'll be by his side	I pray all ten fade away
But he doesn't realize he hurts her so much	Seldom praise Him for the sunny days
But all the praying just ain't (1) at all	And like His promise is true, only my faith can undo
Cause he can't seem to (2) himself out of trouble	The many chances I blew to bring my life to anew
So, he goes out and he makes his money	Clear blue and unconditional skies
The (3) way he knows how	Have dried the tears from my eyes, no more lonely cries
Another body laying cold in the gutter, listen to me	My only bleeding hope is for the folk who can't cope
Don't go chasing waterfalls	With such an enduring pain
Please stick to the rivers and the lakes that you used to	That it keeps them in the pouring rain
I know that you're gonna have it your way or nothing at all	Who's to blame for tooting caine in your own vein
But I (4) you're moving too fast	What a shame, you shoot and aim for someone else's brain
Little precious has a natural obsession	You claim the insane
For temptation, but he just can't see	And name this day in time for falling prey to crime
She gives him loving that his body can't handle	I say the system got you victim to your own mind
But all he can say is, baby, it's good to me	Dreams are hopeless aspirations in hopes of coming true
One day he goes and takes a glimpse in the mirror	Believe in yourself
But he doesn't recognize his own face	The rest is up (to me and you)
His health is fading and he doesn't know why	Don't go chasing waterfalls
Three letters took him to his (5) resting place	Please stick to the rivers and the lakes that you used to
You all don't hear me	I know that you're gonna have it your way or nothing at all
Don't go chasing waterfalls	But I think you're moving too fast
Please stick to the rivers and the lakes that you used to	Oh, you're moving too fast
I know that you're gonna have it your way or nothing at all	Don't go chasing waterfalls
But I think you're moving too fast	Please stick to the rivers and the lakes that you used to
Come on	I know that you're (9) have it (10)
l've seen a (6) yesterday	way or nothing at all
But too many storms have come and gone
