5 O'clock by T-Pain & Lily Allen & W
It's five o'clock in the morning
Conversation got boring
You said you're going to bed soon
So I snuck off to your bedroom
And I thought I'd just wait there
Until I heard you come up the stairs
And I pretended I was sleeping
And I was hoping
It's five o'clock in the morning, and I want you
And you want me, don't you
I can see it
'Cause you've been waiting on me since I said
That I was hitting the club
Something coming up on me
And I know you be getting so horny
'Cause you be sending me texts saying
Like boy just get (1) ass up in that car
And come get all of this love
(It's five o'clock in the morning)
You ain't got to remind me
She already said if I don't come home on time, she
Might go crazy
And she'll be waiting on me naked with one of my chains on
She might come and find me
And then ask me kindly
Do I want her to go crazy
We do this every night
And then we always wake up singing the same song
It's five o'clock in the morning (yeah)
