5 O Clock by 1-Pailt & Lily Allert &
It's five o'clock in the morning
Conversation got boring
You said you're going to bed soon
So I snuck off to your bedroom
And I thought I'd just wait there
Until I heard you come up the stairs
And I pretended I was sleeping
And I was hoping
It's five o'clock in the morning, and I want you
And you want me, don't you
I can see it
'Cause you've been waiting on me (1) I said
That I was hitting the club
Something coming up on me
And I know you be getting so horny
'Cause you be sending me texts saying
Like boy just get your ass up in (2) car
And come get all of this love
(It's five o'clock in the morning)
You ain't got to remind me
She already said if I don't come home on time, she
Might go crazy
And she'll be waiting on me naked with one of my chains on
She might (3) and find me
And then ask me kindly
Do I want her to go crazy
We do this every night
And then we always wake up singing the same song
It's five o'clock in the (4) (yeah)

I can hear your voice in my head like

'Cause I keep checking my cell phone
And (7) missed calls
And you texting me like I'm a kill you all
If you don't get your ass up out of that club
And do you know what time it is

But the t-shirt that I left over your house
The last time I came and put it on you
Too many thirsty girls up in this club

For me to leave here with one of them that's why I call her

And you'll be right at nome waiting for me

Iphone plugged in the wall, just waiting for me

Club closed at six, left around four thirty

Yeah, so by the time I'm at your crib

It's five o'clock in the morning

And you yawning

But I've been drinking all night and I feel like performing

With you in the bedroom

Floor to the dresser, don't want nothing less

'Cause I'm sure you're the best, you're the one, so I let you

That's how you show me love

And when we finish you like damn, babe you woke me up

I love the way you put it down like it's for both of us

The sun ain't the only thing that's coming up

It's five o'clock in the morning

Conversation got boring
