### 5 O'clock by T-Pain & Lily Allen & Wiz Khalifa

It's five o'clock in the morning				
Conversation got boring				
You said you're going to bed soon				
So I snuck off to your bedroom				
And I thought I'd just (1) there				
Until I heard you come up the stairs				
And I (2) I was sleeping				
And I was hoping				
It's five o'clock in the morning, and I want you				
And you want me, don't you				
I can see it				
'Cause you've been waiting on me since I said				
That I was hitting the club				
Something coming up on me				
And I know you be getting so horny				
'Cause you be sending me texts saying				
Like boy just get your ass up in that car				
And come get all of this love				
(It's five o'clock in the morning)				
You ain't got to remind me				
She already (3) if I don't come home on time, she				
Might go crazy				
And she'll be waiting on me (4) with one of my chains on				
She might come and find me				
And then ask me kindly				
Do I want her to go crazy				
We do (5) every night				
And then we always wake up singing the (6) song				
It's five o'clock in the morning (yeah)
