

Fill in the gaps

I was born in the (1) of imaginary friends	Your faith is strong
Free to roam, made a home	But I can only fall short for so long
Out of everywhere I've been	Time will hold, later on
Then you come crashing in	You will hate that I never gave more to you
Like the realest thing	Than half of my heart
Trying my (2) to understand	But I can't stop loving you (I can't stop loving you)
All that your love can bring	I can't stop loving you (I can't stop loving you)
(Oh) Half of my heart's got a grip on the situation	I can't stop loving you with half of my
Half of my heart takes time	Half of my heart
Half of my heart's got a (3) mind to tell you that	(Oh) Half of my heart
I can't keep (4) you (I can't keep loving you)	Half of my heart's got a real (7) imagination
(Oh) With half of my heart	Half of my heart's got you
I was made to believe	Half of my heart's got a right mind to tell you that
I'd never love somebody else	Half of my heart won't do
I made a plan	Half of my heart is a shotgun wedding
Stay the man who can only love himself	To a bride with a paper ring
Lonely was the song I sang	And half of my heart is the (8) of a man
'Til the day you came	Who's never truly loved anything
Showing me a better way	Half of my heart
And all that my (5) can bring	(Oh) (9) of my heart
(Oh) Half of my heart's got a grip on the situation	Half of my heart
Half of my heart takes time	(Oh) Half of my heart
Half of my heart's got a right mind to tell you that	
I can't keep (6) you (I can't keep loving you)	
(Oh) With half of my heart	
With half of my heart
