

Fill in the gaps

I was born in the arms of imaginary friends	Your faith is strong
Free to roam, made a home	But I can only fall short for so long
Out of everywhere I've been	Time will hold, later on
Then you come crashing in	You will hate that I never gave more to you
Like the realest thing	Than half of my heart
Trying my best to understand	But I can't stop loving you (I can't stop loving you)
All that (1) love can bring	I can't stop loving you (I can't stop loving you)
(Oh) Half of my heart's got a grip on the situation	I can't stop loving you with half of my
Half of my heart takes time	Half of my heart
Half of my heart's got a right mind to (2) you that	(Oh) Half of my heart
I can't keep loving you (I can't keep loving you)	Half of my heart's got a real (6) imagination
(Oh) With half of my heart	Half of my heart's got you
I was made to believe	Half of my heart's got a right (7) to (8)
I'd never love somebody else	you that
I made a plan	Half of my (9) won't do
Stay the man who can only love himself	Half of my heart is a shotgun wedding
Lonely was the song I sang	To a bride with a paper ring
'Til the day you came	And half of my heart is the part of a man
Showing me a better way	Who's never truly loved anything
And all (3) my love can bring	Half of my heart
(Oh) (4) of my heart's got a grip on the situation	(Oh) Half of my heart
Half of my heart (5) time	Half of my heart
Half of my heart's got a right mind to tell you that	(Oh) Half of my heart
I can't keep loving you (I can't keep loving you)	
(Oh) With half of my heart
