Can't fight the moonlight, deep in the dark

Can't Fight The Moonlight by LeAnn Rimes

Under a lovers' sky	You'll surrender (12) heart
Gonna be with you	But you know, but you know that you
And no one's gonna be around	Can't fight the moonlight, no
f you think (1) you won't fall	You can't fight it
Well, just (2) until	No matter what you do
Till the sun (3) down	The night is gonna get to you
Underneath the starlight, starlight	Don't try, you're never (13) win
There's a magical feeling so right	Underneath the starlight, starlight
t'll steal (4) heart tonight	There's a magical feeling so right
You can try to resist	It (14) steal (15) (16)
Try to hide from my kiss	tonight
But you know, but you know that you	You can try to resist
Can't fight the moonlight, deep in the dark	Try to (17) from my kiss
You'll surrender your heart	But you know, but you know (18) you
But you know, but you know that you	Can't (19) the moonlight, deep in the dark
Can't fight the moonlight, no	You'll (20) (21) heart
You can't fight it	But you know, but you (22) you
t's gonna get to (5) heart	Can't fight the moonlight, no
There's no (6) (7) love	You can't fight it
Once a gentle breeze	You can try to resist
Weaves its spell upon your heart	Try to (24) from my kiss
No matter (8) you think	But you know
t won't be too long	Don't you know that you can't
Till you're in my arms	Can't fight the moonlight, deep in the dark
Underneath the starlight, starlight	You'll surrender your heart
We'll be lost in the rhythm so right	But you know, but you (25) that you
Feel it steal (9) (10) tonight	Can't fight the moonlight, no
You can try to resist	You can't fight it
Try to hide from my kiss	It's (26) get to your heart
But you know, but you know (11) you
