## Can't Fight The Moonlight by LeAnn Rimes

Under a lovers' sky		You'll (6)	_ your heart
Gonna be with you		But you know, but you know that you	
And no one's gonna be around		Can't fight the moonlight, no	
If you think that you won't fall		You can't fight it	
Well, just wait until		No matter what you do	
Till the sun goes down		The night is gonna get to you	
Underneath the starlight, starlight		Don't try, you're never gonna win	
There's a magical feeling so right		Underneath the starlight, starlight	
It'll steal your heart tonight		There's a magical feeling so right	
You can try to resist		It will steal your heart tonight	
Try to hide from my	kiss	You can try to resist	
But you know, but y	ou know (1) you	Try to hide from my kiss	
Can't fight the moonlight, deep in the dark		But you know, but you know that you	
You'll surrender your heart		Can't fight the moonlight, (7) in the dark	
But you know, but you know that you		You'll surrender your heart	
Can't (2) the moonlight, no		But you know, but you know that you	
You can't fight it		Can't fight the moonlight, no	
It's gonna get to your heart		You can't fight it	
There's no escape from love		You can try to resist	
Once a gentle breeze		Try to (8) from my kiss	
Weaves its spell upon your heart		But you know	
No matter (3) you think		Don't you know that you can't	
It won't be too long		Can't fight the moonlight, deep in the dark	
Till you're in my arms		You'll (9)	_ your heart
Underneath the starlight, starlight		But you know, but you know that you	
We'll be (4) in the rhythm so right		Can't fight the moonlight, no	
Feel it steal your heart tonight		You can't fight it	
You can try to resist		It's gonna get to your heart	
Try to hide from my	kiss		
But you know, but y	ou know that you
