## Lover Of The Light by Mumford & Sons

In the (1) of the night	So love the one you hold
I may watch you go	And I'll be your gold
There'll be no value in the strength	To have and to hold
Of walls that I have grown	A lover of the light
There'll be no comfort in the shade	And in the middle of the night
Of the shadows thrown	I may watch you go
But I'll be yours if you'll be mine	There'll be no value in the strength
Stretch out my life and pick the seams out	Of walls that I have grown
Take what you like, but close my ears and eyes	There'll be no comfort in the shade
Watch me stumble over and over	Of the (6) thrown
I have done wrong, you build your tower	You may not trust the promises
But call me home and I will build a throne	Of the change I'll show
And wash my (2) out never again	But I'll be yours if you'll be mine
But love the one you hold	So love the one you hold
And I'll be your gold	And I will be (7) gold
To have and to hold	To have and to hold
The (3) of the light	A lover of the light
With (4) too tight and eyes like marbles	So (8) the one you hold
You spin me high so watch me as I glide	And I will be (9) gold
Before I (5) homeward, homeward	To have and to hold
I know I tried, I was not stable	A (10) of the light
Flawed by pride, I miss my sanguine eyes	
So hold my hands up
