Don't Look Back In Anger by Oasis

Fill in the gaps

Slip inside the eye of your mind	Step (3) cause summertime's in bloom
Don't you know you might find	Stand up beside the fireplace
A better place to play	Take that look from off your face
You said that you'd never been	'Cause you ain't (4) gonna burn my
But all the things that you've seen	(5) out
Will slowly fade away	And so Sally can wait
So I start a revolution from my bed	She knows it's too late as she's walking on by
'Cause you said the brains I had (1) to my head	My soul slides away
Step outside, summertime's in bloom	But don't look back in anger
Stand up beside the fireplace	I heard you say
Take that look from off your face	So Sally can wait
You ain't ever gonna burn my (2) out	She knows it's too late as we're walking on by
And so Sally can wait	Her soul (6) away
She knows it's too late as we're walking on by	But don't look back in anger
Her soul slides away	I heard you say
But don't look back in anger	So Sally can wait
I heard you say	She knows it's too late as she's walking on by
Take me to the place where you go	My soul slides away
Where nobody knows if it's night or day	But don't (7) (8) in anger
Please don't put your life in the hands	Don't (9) back in anger
Of a rock'n'roll band who'll throw it all away	I heard you say
I'm gonna start the revolution from my bed	At least not today
'Cause you said the brains I had went to my head
