## When You Say Nothing At All by Ronan Keating

t's amazing how you can speak right to my heart	When you say nothing at all
Nithout saying a word you can light up the dark	The smile on your face lets me know that you need me
Try as I may I could never explain	There's a truth in your eyes (8) you'll nev
What I hear when you don't say a thing	leave me
The smile on your face lets me (1) that you need	The touch of your hand says you'll catch me whenever I fall
me	You say it best (you say it best)
There's a truth in (2) eyes saying you'll never	When you say nothing at all
(3) me	(You say it best, (9) you say nothing at all)
The touch of your (4) says you'll catch me	(You say it best, when you say nothing at all)
whenever I fall	The smile on your (10) (you say it best)
You say it best	The truth in your eyes (when you say nothing at all)
When you say nothing at all	The touch of your hand (you say it best)
All day long I can (5) people talking out loud (oh)	Let's me know that you need me ()
But when you hold me near (oh, (6) me near)	(You say it best, when you say nothing at all)
You drown out the crowd (drown out crowd)	(You say it best, when you say nothing at all)
Try as they may they can never define	(You say it best, when you say nothing at all)
What's being said between (7) heart and mine	
The smile on your face lets me know that you need me	
There's a truth in your eyes saying you'll never leave me	
The touch of your hand says you'll catch me whenever I fall	
You say it best (you say it best)
