Say My Name by Destiny's Child

Fill in the gaps

Say my name, say my name
If no one is around you
Say baby I love you if you ain't running game
Say my name, say my name
You (1) kind of shady
Ain't calling me baby, why the sudden change
Say my name, say my name
If no one is around you
Say baby I love you if you ain't running game
Say my name, say my name
You acting kind of shady
Ain't calling me baby
Better say my name
Any other day I would call, you would say
Baby how's your day but today, it ain't the same
Every other word is (uh huh), yeah, ok
Could it be that you
Are at the crib (2) another lady
If you took it there first of all, let me say
I am not the one to sit around, and be played
So prove yourself to me, I'm the girl that you claim
Why don't you say the things that you said to me yesterday
I know you say that I am assuming things
Something's going down that's the way it seems
Shouldn't be the reason why you're acting strange
If nobody's holding you back from me
'Cause I know how you used toy do
When you say everything to me times two

Why can't you just tell the truth

If somebody's there then tell me who

How would you like it if I came over with my clique
Don't try to change it now
See you gotta bounce
When two seconds ago said you just got in the house
It's hard to believe that you are at home, by yourself
When I just heard the voice
Heard the voice of (5) else
Just this question why do you feel, you gotta lie
Getting caught up in your game
When you can not say my name
