

## Fill in the gaps

Blonde hair (1) in the summer wind	I'm not gonna let you runaway
A blue-eyed girl playing in the sand	I knew that when I held you
I'd been on a (2) for a (3) while	I wasn't lettin' go
But that was the night	We used to (15) at the stars and confess our
That she broke down and (4) my hand	dreams
The teenage rush, she said	Hold each other to the morning light
Here we are just runaway, we got time	We (16) to laugh, now we only fight
Well (5) aint much	Baby are you lonesome now?
We cant wait til tomorrow	At night I come (17) after they go to sleep
You gotta know that this is real	Like a stumbling ghost, I haunt these halls
Baby, why you wanna fight it?	There's a picture of us on our (18) day
Its the one thing you can choose (oh)	I recognize the girl but I can't settle in (19) walls
We got engaged on a Friday night	We can't wait til tomorrow
I swore on the head of our unborn child	No we're (20) up in the (21)
That I could take care of the three of us	baby
But I got the tendency to slip	Why you wanna (22) it?
When the nights get wild	It's the (23) thing on my mind
It's in my blood	(Why you (24) hide it?)
She (6) she (7) (8)	I turn the engine over and my body just comes
runaway somewhere else	Alive and we all just runaway
Some place good	I knew (25) when I met you
We can't (9) til tomorrow	I'm not gonna let you runaway
You gotta know (10) is real baby	I (26) that when I held you
Why you (12) fight it?	I wasn't lettin' go (oh oh oh)
It's the one (13) you can choose	(And were all just runaways)
Let's take a chance baby we can't lose	Yeah, runaway (and (27) all (28)
Ain't we all (14) runaways	runaways)
I knew that when I met you	Yeah
