

Maybe in time, you'll change your mind (mind)

## Fill in the gaps

I never thought that I'd fall in love, love, love, love	Now looking back I wish I could rewind
But it grew from a (1) crush, crush, crush,	Because I can't sleep till you're next to me
crush	No I can't live without you no more (without you no more)
Being without you girl, I was all messed up, up, up, up	Oh I stay up till you're next to me (to me)
When you walked out	Till this house feels (6) it did before
Said that you'd had enough-nough-nough	Because it feels (7) insomnia (ah ah)
Been a fool, girl I know	Feels like insomnia (ah ah)
Didn't expect this is how things would go	Feels like insomnia (ah ah)
Maybe in time, you'll change your mind	Feels like insomnia (ah ah)
Now looking (2) I wish I could rewind	Ah, I just can't go to sleep
Because I can't sleep till you're next to me	'Cause it feels like I've fallen for you
No I can't live without you no more	It's getting way too deep
I stay up till you're next to me	And I know that it's (8) because
Till this (3) feels like it did before	I can't sleep till you're next to me
Feels like insomnia (ah ah)	No I can't live without you no more (without you no more)
Feels like insomnia (ah ah)	I stay up till you're next to me (to me)
Feels like insomnia (ah ah)	Till this house feels like it did before
Feels like (4) (ah ah)	Feels (9) insomnia (ah ah)
Remember telling my boys	Feels (10) insomnia (ah ah)
That I'd never fall in love, love, love	Feels like insomnia (ah ah)
You used to think	Feels like insomnia (ah ah ah)
I'd never find a girl I could trust, trust, trust, trust	Feels like insomnia (ah ah)
And then you walked (5) my life	Feels like insomnia (ah ah)
And it was all about us, us, us	Feels like insomnia (ah ah)
But now I'm sitting here	Feels like insomnia (ah ah)
Thinking I messed the whole thing up, up, up, up	
Been a fool, girl I know (know)	
Didn't expect this is how things would go
