## Falling Down by Scarlett Johansson

I have come five hundred miles (1) to see a halo	Falling down
Come from Saint Petersburg, Scarlett and me	Falling down, (8) down, falling down
Well I open my eyes, I was blind as can be	Go on down to that wrecking ball
When you give a man luck	Come swinging along
He must (2) in the sea	Everyone knew that hotel was a goner
And she wants you to (3) and get caught	They broke all the windows
For she (4) you for all that you are not	They took all the door knobs
Falling down	They hauled it away
Falling down, falling down	In a couple of days
Falling down	Now someone yell timber
You forget all the roses don't come around on Sunday	And (9) off your hat
She's not gonna choose you for (5) so	It's a lot smaller down here on the ground
tall	Falling down
Go on and take a swig of (6) poison and like it	Falling down, falling down
Don't ask for silverware	
Don't ask for nothing	
Go on, put (7) ear to the ground	
You'll be hearing that sound
