Baby, It's Cold Outside by She & Him

I really can't stay		Mind if I move a little closer
Baby it's cold outside		At least I'm (8) say that I tried
I've got to go away		What's the sense in hurting my pride
Baby it's cold outside		I really can't stay
This evening has been		Baby don't hold out
Hoping that you'd (1) in		(Ah) but it's cold outside
So very nice		I've got to go home
I'll hold your hands, they're (2) like ice		Oh, baby, you'll freeze out there
My (3) start to worry		Say, lend me your comb
Beautiful, what's your hurry		It's up to your knees out there
My father will be pacing the floor		You've really been grand
Listen to the fireplace roar		I'm thrilled when you (9) my hand
So really I'd better scurry		Why don't you see?
Beautiful, please don't hurry		How can you do this thing to me
Maybe just a half a drink more		There's bound to be talk tomorrow
Put some records on while I pour		Think of my lifelong sorrow
The neighbors might think		At least there will be plenty implied
Baby, it's bad out there		If you caught pneumonia and died
Say, what's in this drink		I really can't stay
No cabs to be had out there		Get over (10) hold out
I wish I knew how		(Ah) but it's cold outside
Your eyes are (5) (6) n	now	Oh baby it's cold outside
To break this spell		Oh baby it's cold outside
I'll take your hat, your (7) looks swell		
I ought to say no, no, no
