Love Will Tell Us Where to Go (Acoustic) by Bridgit Mendler

I know exactly how you feel
It doesn't matter what you say
I see the sun begin to set
And we gotta, gotta get away
I gotta (1)_____ of (2)_____ road
I already (3)_____ you with all of my soul
So (4)_____ we both get old
I (5)_____ we gotta, gotta get away
I keep wishing for all the tickets
Stack 'em on my wall
Let's rip them down
And leave the town before the cops can call
And bring us back
Cover our tracks in the dust
I think we must
Take on the world
Let's go crazy
Love will tell us where to go
I'll be your girl, be my baby
Love will tell us where to go
(Oh oh oh) (6)_____ a (7)_____ night
(Oh oh oh) without a sunrise
(Oh oh oh) and we (8)_____ be alright
Love will tell us where to go
Love will (9)_____ us (10)_____ to go
Love will tell us where to go
The (11)_____ on this train keep turning
We're flying with the birds and
The worlds so (12)_____ it hurts when
We're on the getaway
I'm the Bonnie to your Clyde
You're the mood and I'm the tide, I
I want (13)_____ for all of my life
Since the night that we got away
I keep wishing for all the tickets
Stack 'em on my wall
Let's rip them down
And leave the town before the cops can call

And bring us back
Cover our tracks in the dust
I think we must
Take on the world
Let's go crazy
Love will tell us where to go
I'll be your girl, be my baby
Love will tell us where to go
(Oh oh oh) (14)_____ a (15)_____ night
(Oh oh oh) without a sunrise
(Oh oh oh) and we will be alright
Love (16)_____ (17)_____ us where to go
Love will tell us (18)_____ to go
Love will tell us where to go
When (19)_____ get rough
When we (20)_____ loved
We've got enough to (21)_____ us where to go
When we get lost
When (22)_____ is all (oh) that we got
To tell us (23)_____ to go
Then we're alright
We'll be alright
Tell us where to go
Then we're alright
We'll be alright
Love will tell us where to go
Take on the world, let's go crazy
Love will tell us where to go
I'll be (24)_____ girl, be my baby
Love will (25)_____ us where to go
(Oh oh oh) (26)_____ a dark night
(Oh oh oh) without a sunrise
