

And leave the town before the cops can call

## Fill in the gaps

## Love Will Tell Us Where to Go (Acoustic) by Bridgit Mendler

I know exactly how you feel	And bring us back
It doesn't matter what you say	Cover our (19) in the dust
I see the sun (1) to set	I think we must
And we gotta, gotta get away	Take on the world
I gotta patch of (2) road	Let's go crazy
I already miss you with all of my soul	Love will tell us where to go
So before we (3) get old	I'll be your girl, be my baby
I (4) we gotta, gotta get away	Love will tell us where to go
I (5) wishing for all the tickets	(Oh oh oh) through a dark night
Stack 'em on my wall	(Oh oh oh) without a sunrise
Let's rip them down	(Oh oh oh) and we will be alright
And leave the town before the cops can call	Love (20) tell us where to go
And bring us back	Love (21) (22) us where to go
Cover our tracks in the dust	Love will (23) us where to go
I (6) we must	When things get rough
Take on the world	When we (24) loved
Let's go crazy	We've got enough to tell us where to go
Love (7) tell us (8) to go	When we get lost
I'll be your girl, be my baby	When love is all (oh) that we got
Love will tell us (9) to go	To tell us where to go
(Oh oh oh) (10) a dark night	Then we're alright
(Oh oh oh) (11) a sunrise	We'll be alright
(Oh oh oh) and we will be alright	Tell us where to go
Love (12) tell us where to go	Then we're alright
Love will (13) us where to go	We'll be alright
Love will (14) us (15) to go	Love will tell us where to go
The wheels on this train keep turning	Take on the world, let's go crazy
We're flying with the birds and	Love will (25) us (26) to go
The worlds so bright it (16) when	I'll be your girl, be my baby
We're on the getaway	Love will (27) us where to go
I'm the Bonnie to your Clyde	(Oh oh oh) through a dark night
You're the mood and I'm the tide, I	(Oh oh oh) without a sunrise
I want this for all of my life	(And we (28) be alright)
Since the night (17) we got away	Love will tell us where to go
I keep wishing for all the tickets	
Stack 'em on my wall	
Let's rip (18) down
