

Fill in the gaps

I (1) those blue eyes	What I (18) have said
How you (2) me at night	No, I never told you
I miss the way we sleep	I just (19) it in
Like there's no sunrise	And now
Like the (3) of your smile	I miss everything about you
I (4) the way we breathe	I can't believe that I still (20) you
But I (5) told you	And after all the things we've been through
What I should have said	I miss everything (21) you
No, I never told you	Without you
I just (6) it in	(Oh no, no)
And now	But I never told you
I miss everything about you	What I should (22) said
I can't believe that I (7) want you	No, I never told you
And (8) all the things we've been through	l just (23) it in
I miss everything (9) you	And now
Without you	I miss everything about you
I see (10) blue eyes	I can't believe that I still want you
Everytime I close mine	And (24) all the things we've been through
You (11) it hard to see	I miss everything (25) you
Where I (12) to	Without you
When I'm not (13) you	
It's (14) I'm alone (15) me	
But I (16) (17) you	

1. miss
