

## Fill in the gaps

I miss those blue eyes	What I should have said
How you kiss me at night	No, I never told you
I (1) the way we sleep	I just held it in
Like there's no sunrise	And now
Like the taste of your smile	I miss everything about you
I (2) the way we breathe	I can't believe that I (7) want you.
But I never told you	And after all the things we've been through
What I should have said	I miss everything about you
No, I never told you	Without you
I just held it in	(Oh no, no)
And now	But I never told you
I miss everything about you	What I should have said
I can't believe that I still want you	No, I never told you
And (3) all the things we've been through	I just held it in
I miss (4) about you	And now
Without you	I miss everything about you
I see your blue eyes	I can't believe (8) I still want you
Everytime I close mine	And after all the things we've been through
You make it (5) to see	I miss everything about you
Where I belong to	Without you
When I'm not around you	
It's like I'm alone (6) me	
But I never told you
