No (1) champagne	May we all (9) a (10) now and ther
And the fireworks are through	Of a (11) where every
Here we are, me and you	(12) is a friend
Feeling lost and feeling blue	Happy New Year
It's the end of the party	Happy New Year
And the morning seems so grey	May we all (13) our hopes, our will to try
So unlike yesterday	If we don't we might as well lay (14) and die
Now's the time for us to say	You and I
Happy New Year	Seems to me now
Happy New Year	That the (15) we had before
May we all have a vision now and then	Are all dead, nothing more
Of a world (2) every neighbour is a friend	Than confetti on the floor
Happy New Year	It's the end of a decade
Happy New Year	In (16) ten years' time
May we all (3) our hopes, our (4) to try	Who can say what we'll find
If we don't we might as (5) lay (6) and	What lies (17) (18) the line
die	In the end of eighty-nine
You and I	Happy New Year
Sometimes I see	Happy New Year
How the brave new world arrives	May we all (19) a (20) now and
And I see how it thrives	then
In the ashes of our lives	Of a world where every neighbour is a friend
(Oh yes) man is a fool	Happy New Year
And he thinks he'll be okay	Happy New Year
Dragging on, (7) of clay	May we all have our hopes, our will to try
Never knowing he's astray	If we don't we might as well lay (21) and die
Keeps on (8) anyway	You and I
Happy New Year	
Happy New Year
