

Fill in the gaps

Elephant Love Medley by Ewan McGregor & Nicole Kidman

Love is a many splendored thing, love

Lifts us up where we belong

All you need is love!

Please, don't start that again

All you need is love!

A girl has got to eat!

All you need is love!

She'll end up on the street!

All you need is love!

Love is just a game

I was (1)_____ for loving you baby

You were made for (2)_____ me

The only way of loving me baby

Is to pay a (3)_____ fee

Just one night

Give me (4)_____ one night

There's no way

'Cause you can't pay

In the name of love!

One night in the name of love!

You crazy fool

I won't give in to you

Don't, (5)_____ me this way

I can't survive, without (6)_____ sweet love

(Oh) baby, don't leave me this way

You'd think that people

Would've had enough of silly love songs...

I look (7)_____ me and I see it isn't so (oh no)

Some people (8)_____ fill the world with silly love songs

Well what's (9)_____ with that?

I'd like to know

'Cause here I go... again...

Love (10)_____ us up where we belong!

Where eagles fly

On a mountain high!

Love makes us act like we are fools

Throw our lives away

For one happy day

We could be heroes...

Just for one day

You, you will be mean

No, I won't

And I, I'll drink all the time

We should be lovers...

We can't do that

We should be lovers!

And that's a fact

Though nothing, would keep us together

We could steal time...

Just for one day

We could be heroes

Forever and ever

We could be heroes

Forever and ever

We can be heroes...

Just because I... will always love you...

I can't help loving...

You

How wonderful life is

Now you're in

The world...
