

## Fill in the gaps

What I just realized

| That we'd be perfect for each other         |
|---------------------------------------------|
| And we'll (5) find another                  |
| Just realize                                |
| What I just realized                        |
| We'd never have to wonder                   |
| If we missed out on each other, but         |
| It's not the same                           |
| No it's never the same                      |
| If you don't feel it too                    |
| If you meet me half way                     |
| If you (6) meet me (7) way                  |
| It (8) be the same for you                  |
| If you just realize                         |
| What I just realized                        |
| That we'd be perfect for each other         |
| And we'll never find another                |
| Just realize                                |
| What I just realized                        |
| We'd (9) have to wonder                     |
| Just realize                                |
| What I just realized                        |
| If you just realize                         |
| What I just realized                        |
| Missed out on each other now                |
| Missed out on each other now (owa, owa ohh) |
