# A Dustland Fairytale by The Killers

•
A Dustland fairytale beginning
Or just another white trash county kiss
In '61 long (1) hair and foolish eyes
He looked (2) (3) you'd want him to
Some kind of slick chrome American Prince
A blue jean serenade
And moon (4) (5) you do to me
And I don't believe you
Saw Cinderella in a party dress
But she was looking for a nightgown
I saw the devil wrapping up his hands
He's getting (6) for the showdown
I saw the minute that I (7) away
I got my money on a (8) tonight
Change came in disguise of revelation
Set his soul on fire
She says she always (9) he'd come around
And the decades disappear (10) sinking ships
But we persevere God gives us hope
But we still (11) (12) we don't know
The mind is poison
Castles in the sky sit stranded vandalized
A drawbridge is closin'
Saw (13) in a (14)
dress
