¡Happy Birthday Guadalupe! by The Killers

Well I woke up Christmas morning	"Baby will you marry me for (5) one dance?"
And what did I see?	Infatuation, the things you say
I saw a lovely (1) looking back at me	I got scared and I left that night
Named Guadalupe	'Cause we are living' in a difficult time
With big brown eyes	We've been walking down a (6) line
Boy (2) did you do this time?	Put (7) feet up baby, it's Christmas time
Made my excuses	(Cumpleaños feliz)
And a beeline for the bedroom door	Happy Birthday Guadalupe
She was begging' and a-pleading, screaming	Deck the halls with rosaries
("Por favor, mi cumpleaños")	Wish upon a Christmas tree
Stay with me	Silent night please come to me
Baby it's cold outside	Bearing (8) from my
We are living' in a difficult time	My Mexican angel
We've (3) walking' down a difficult line	At night I wake up cold and lonely
Put (4) feet up baby, it's Christmas time	Busting at the seams
(Cumpleaños feliz)	She haunts the early morning hours
Happy Birthday Guadalupe	Of December dreams
(Our time will come)	My Guadalupe, with big brown eyes
(Oh oh oh we both hold on)	I wanna (9) the spell tonight
She gave me coffee and tortillas	'Cause we are living' in a difficult time
To console my head	We've been walking' down a difficult line
Then laid the slippers on my feet	Put your feet up baby, it's Christmas time
Before she made our bed	(Cumpleaños feliz)
And blew the candles from her favourite cake	Happy Birthday Guadalupe
And we kissed beneath the mistletoe	Happy Birthday Guadalupe
I pulled her body close to mine	
And I had just one chance
