

Fill in the gaps

Lost her (1) the station
Lost her (2) the moon
Operator, operator dial her back
Operator put me through
Satellite gave up the ghost too soon
Rising on the thermals
She (3) in and out the blue
Carried her off on a silver spoon
I loved her too long, don't take her too
(Oh) how he (4) us on that fate
Your path in my own satellite
What a mess a little time (5) to us
When (6) and (7) collide
Operator, operator (8) her back
Operator, operator don't (9) her too
I loved her too her long, don't love her too
Operator, operator dial her back
Operator, operator don't take her too
I love her too her long
Don't (10) her too, don't love her too
(Oh oh oh oh)
