Till Stand By You by The Pretenders

Fill in the gaps

Oh, why you look so sad?	take me in, into your darkest hour
Tears are in your eyes	and i'll never desert you
come on and (1) to me now	i'll stand by you
don't be ashamed to cry	and when
let me see you through	When the night falls on you, baby
cause i've seen the dark side too	you're (5) all alone
when the night falls on you	you won't be on your own
you don't know what to do	i'll stand by you
nothing you confess	i'll stand by you
could make me (2) you less	won't let (6) hurt you
i'll (3) by you	i'll stand by you
i'll stand by you	take me in, (7) your darkest hour
won't let nobody hurt you	and i'll never desert you
i'll stand by you	i'll stand by you
so if you're mad, get mad	i'll stand by you
don't hold it all inside	won't let nobody (8) you
come on and talk to me now	i'll stand by you
hey, what you got to hide?	and i'll never desert you
I get angry too	i'll stand by you
well i'm a lot (4) you	i'll stand by you
when you're standing at the crossroads	won't let nobody hurt you
and don't know which path to choose	i'll stand by you
let me come along	take me in, into your (9) ho
cause even if you're wrong	and I'll never desert you
i'll stand by you	I'll stand by you
i'll stand by you	l'll (10) by you
won't let nobody hurt you	won't let nobody hurt you
i'll stand by you
