

## Fill in the gaps

| Spinning further deeper   |
|---|
| I know you're out to try me   |
| I'm not in (1) to be a slave  |
| Push the dirt, (2) me feel  |
| Locate what swallows life   |
| Night bird you (3) my world   |
| And then I close my eyes  |
| And then I close my eyes!   |
| Judge me now  |
| Used to be afraid to let it show, bow down  |
| A (A)   |
| A (4) in my own mind  |
| Everything's in place   |
|   |
| Everything's in place   |
| Everything's in place So much brighter from today   |
| Everything's in place So much brighter from today Drown the monsters  |
| Everything's in place So much brighter from today Drown the monsters Make all bad dreams go away  |
| Everything's in place So much brighter from today Drown the monsters Make all bad dreams go away Whatever it (5) to keep your hands free            |
| Everything's in place So much brighter from today Drown the monsters Make all bad dreams go away Whatever it (5) to keep your hands free Open scars |

| And then I (7) my eyes                               |
|--|
| And then I close my eyes!                            |
| Judge me now   |
| Used to be afraid to let it show, bow down, bow down |
| A king in my own mind                                |
| Everything's in place                                |
| So much brighter from today                          |
| A (8) in my own mind                                 |
| Judge me now   |
| A king in my own mind!                               |
| Judge me now   |
| A (9) in my own mind!                                |
| Judge me now   |
| Used to be afraid to let it show, bow down, bow down |
| A king in my own mind                                |
| Everything's in place                                |
| So much brighter from today                          |
| A king in my own mind                                |
