

Fill in the gaps

Remember Me by Daley & Jessie J

So you confess	Now when you're all alone at night
To all the (1) you've been seen	That's (6) you, remember me
Now you feel regret, yeah	I'm the one that had (you, baby)
But that don't mean (****) to me, no, no	I'm the one who loved you, baby, remember me
So empty what you can say, take a minute please	I'm the one that had (you, baby)
It's too little, too late to make it up to me	I'm the one who (7) you, baby
I hope that those (2) refresh your memory	You know you're gonna miss me
Now when another makes you cry	Now when you all alone at night
That's (3) you, remember me	That's when you, remember me
I'm the one that had (you, baby)	I'm the one that had (you, baby)
I'm the one who loved you, baby, remember me	I'm the one who (8) you, loved you, remember
I'm the one that had (you, baby)	me
I'm the one who loved you, baby	I'm the one who (9) you, loved you, remember
I (4) it wasn't enough	me
To give you everything, no, no, and	Remember me (I'm the one who had you)
I (5) I should have known better	Remember me, yeah
How could I be so naive	(I'm the one who (10) you)
I don't know, so empty what you can say	Remember me
Take a minute, please	I'm the one (I'm the one who loved you)
It's too little, too late to make it up to me	I'm the one who loved you
I hope that those tears refresh your memory, yeah
