

## Fill in the gaps

Wrapped in a blanket of hope	In a (13) my flower
Asleep in the bed of dreams	Somewhere in a desert haze
My step into eternity	I know one day (14) (15)
Was not what it might (1) been	me
Or not at all	2 hearts in the hands of time
For who knows (2) way the (3) is	Your love bleeds into mine
gonna blow	I'll be with you forever
I'm waiting for your gentle whisper	And (16) you everything I am
Distant child, my flower	Want you to understand
Are you blowing in the breeze?	It's you and I together
Can you (4) me?	Distant child, my flower
As I breathe life (5) you	Are you blowing in the breeze?
In a while my flower	Can you feel me?
Somewhere in a desert haze	As I breathe (17) into you
I (6) one day (7) amaze me	In a (18) my flower
An act of balancing, imagining	Somewhere in a desert haze
The moment I can be	I (19) one day you'll (20) me
Looking (8) into your eyes	(Distant child, my flower)
For now a mystery	(Are you blowing in the breeze?)
Or not at all	(Can you feel me?)
For who (9) which way the wind is	(As I (21) (22) into you)
(10) blow	(In a while my flower)
I'm waiting for your gentle whisper	(Somewhere in a (23) haze)
Distant child, my flower	I (24) one day you'll (25) me
Are you (11) in the breeze?	
Can you feel me?	
As I breathe (12) into you
