He Didn't Have To Be by Brad Paisley

When a single mom goes out on a date with	I met the girl that's now my wife
Somebody new	About three years ago
t always winds up feeling more like	We had the perfect marriage but
A job interview	We wanted something more
My momma (1) to wonder	Now here I stand surrounded by our family and friends
f she'd ever meet someone	Crowded 'round the nursery window
Nho wouldn't find out about me and then	As they bring the baby in
Turn around and run	And now, all of a sudden
met the man I call my dad	(Oh) it seems so strange to me
When I was five years old	How we've gone from something's
He took my mom out to a movie	Missing to a family
And for once I got to go	Looking through the glass, I think
A few months later, I remember	About the man that's (4) next to m
_ying there in bed	And I hope I'm at (5) half the dad
overheard him pop the question	That he didn't have to be
And I (2) that she'd say yes	And looking (6) all I can say about
And then, all of a sudden	All the things he did for me
(Oh) it seemed so strange to me	Is I hope I'm at least
How we went from something's	Half the dad that he didn't (7) to be
Missing to a family	Because he didn't have to be
_ooking back, all I can say about	You know he didn't have to be
All the (3) he did for me
