

Fill in the gaps

He Didn't Have To Be by Brad Paisley

When a single mom goes out on a (1) with	I met the girl that's now my wife
Somebody new	About three years ago
It always (2) up feeling (3) like	We had the perfect (9) but
A job interview	We (10) something more
My momma used to wonder	Now (11) I stand surrounded by our family and
If she'd ever meet someone	friends
Who wouldn't find out about me and then	Crowded 'round the nursery window
Turn around and run	As (12) (13) the baby in
I met the man I call my dad	And now, all of a sudden
When I was (4) years old	(Oh) it seems so (14) to me
He took my mom out to a movie	How we've gone (15) something's
And for once I got to go	Missing to a family
A few months later, I remember	Looking through the glass, I think
Lying (5) in bed	About the man that's (16) next to me
I (6) him pop the question	And I (17) I'm at (18) half the dad
And I prayed that she'd say yes	That he didn't have to be
And then, all of a sudden	And looking (19) all I can say about
(Oh) it (7) so strange to me	All the (20) he did for me
How we went from something's	Is I (21) I'm at least
Missing to a family	Half the dad that he didn't (22) to be
Looking back, all I can say about	Because he didn't (23) to be
All the (8) he did for me	You know he didn't have to be
Is I hope I'm at least	
Half the dad that he didn't have to be
