My momma used to wonder	Now here I stand surrounded by our (9)	and
f she'd ever meet someone	friends	
Who wouldn't find out about me and then	Crowded 'round the nursery window	
Turn around and run	As they bring the baby in	
met the man I call my dad	And now, all of a sudden	
When I was (1) years old	(Oh) it seems so strange to me	
He took my mom out to a movie	How we've gone from something's	
And for (2) I got to go	Missing to a family	
A few months later, I remember	Looking through the glass, I think	
_ying there in bed	About the man that's standing next to me	
overheard him pop the question	And I hope I'm at least half the dad	
And I prayed that she'd say yes	That he didn't have to be	
And then, all of a sudden	And looking back all I can say about	
(Oh) it (3) so strange to me	All the things he did for me	
How we (4) (5) something's	Is I hope I'm at least	
Missing to a family	Half the dad (10) he didn't have to be	
ooking back, all I can say about	Because he didn't have to be	
All the things he did for me	You know he didn't have to be	
s I hope I'm at least
