Can't Get My Head Around You by The Offspring

Deep inside your soul, there's a hole	What's really going on inside you
You don't wanna see	I can't get my head around you
Every (1) day, what you say	All your feeding
Makes no (2) to me	
Even though I try	Shows you're bleeding
I can't get my head around you	
Somewhere in the night, there's a light	Deep inside your soul, there's a hole
In front of me	You don't wanna see
Heaven up above, (3) a shove	Covering it up, like a cut
Abandons me	With the likes of me
And even though I try	You know I've (4) tried
I fall in ther river of you	I can't do (5) about you
You've managed to bring me down too	The cut's (6) deeper
All your faking	The hill's (7) steeper
	I guess I'll never know
Shows you're aching	What's (8) going on inside you
	I can't get my head around you
Every single day, what you say	I can't get my (9) (10) you
Makes no sense to me	I can't get my head around you
Letting you inside isn't right	I can't get my head around you
Don't mess with me
