

Fill in the gaps

I swear	Just the two of us are there
By the moon and the stars in the sky	You won't have to ask if I (11) care
And I swear	'Cause as the time turns the page
Like the shadow that's by (1) side	My love won't age at all
I see the questions in your eyes	And I swear (I swear)
I (2) what's (3) on your mind	By the moon and the stars in the sky
You can be sure I know my heart	I'll be there (I'll be there)
'Cause I'll stand beside you through the years	I swear
You'll only cry (4) happy tears	Like the (12) that's by your side
And (5) I make mistakes	I'll be there (I'll be there)
I'll never (6) your heart	For (13) or worse, till death do us part
And I swear	l'il love you (14) (15) (16)
By the moon and the stars in the sky	of my heart
I'll be there	And I swear
I swear	I swear (I swear)
Like a (7) that's by (8) side	By the (17) and (18) in the sky
I'll be there	I'll be there (I'll be there)
For better or worse, till death do us part	I swear
I'll love you with (9) beat of my heart	Like the shadow that's by (19) side
And I swear	I'll be there ('ll be there)
I'll (10) you everything I can	For better or worse, till (20) do us part
I'll build your dreams with these two hands	I'll (21) you with every single beat of my heart
We'll hang some memories on the walls	I swear, I swear, (oh) I swear
