

It's not my business to talk about

Fill in the gaps

I get tired, and upset	They don't (17) what they say
And I'm trying to care a little less	Before they open their mouth
And on (1) I only get depressed	You gotta
I was taught to dodge (2) issues, I was told	Pack up your (18) in your old kit bag
Don't worry, there's no doubt	And bury (19) (20) the sea
There's always something to cry about	I don't care what the (21) may say
When you're (3) in an angry crowd	What the people may say bout me
They don't think (4) (5) say	Pack up your troubles get (22) old (23)
(Before they (6) (7) mouth)	back
(You gotta)	Don't worry about the cavalry
Pack up your troubles in your old kit bag	I don't care what the whisperers say
And (8) them (9) the sea	'Cause (24) whisper too (25) for me
I don't care what the people may say	(Tweet, tweet)
What the people may say bout me	Pack up your troubles in your old kit bag
Pack up your (10) get your old	And bury them beneath the sea
(11) back	I don't care what the people may say
Don't worry about the cavalry	What the people may say bout me
I don't care what the whisperers say	Pack up your troubles get your old grin back
'Cause they (12) too loud for me	Don't (26) about the cavalry
Hot topic	I don't care what the whisperers say
Maybe I (13) drop it	'Cause (27) whisper too loud for me
It's a touchy subject	(Yeah yeah yeah)
And I like to (14) 'round the (15)	
(16) down	
You got penny, no pound	
So if your business is running out
