Lead The Way by Carlos Jean

Fill in the gaps

I can smell the sound of love	Don't Know if you have it but I want to make you see
I never had any doubt	I (5) had any doubt
I knew that I would end up wrong	I knew that I would end up wrong
And this is where I got	And (6) is where I got
An empty crowd crying out loud	An empty crowd crying out loud
Praying for the wrong that apparently I've done	Praying for the wrong that (7) I've
Looking kinda dumb, people staring at my crown	done
I have no (1) Kingdom but I own all that I touch	Looking kinda dumb, people staring at my crown
I might not be your girl	I have no magic Kingdom but I own all that I touch
But I'm everything you wanna be	I might not be your girl
I'm daddy's little girl (2) some mud on my cheek	But I'm everything you wanna be
And I'm calling your name, I don't know my own	I'm daddy's little girl with some mud on my cheek
And I try to forget who I used to date	And I'm calling your name, I don't (8) my own
All I want is to go, is to go away	And I try to forget who I used to date
Wanna come?	All I want is to go, is to go away
Just lead the way, I'll follow you everywhere	Wanna come?
I don't need a reason to be your friend	Just lead the way, I'll follow you everywhere
I just love the way	I don't need a reason to be your friend
That you make me spin, out of control	I just love the way
I'm outta control	That you make me spin, out of control
Just lead the way, I'll follow you everywhere	I'm outta control
I don't need a reason to be your friend	Just lead the way, I'll follow you everywhere
I (3) love the way	I don't need a reason to be your friend
That you make me spin, out of control	I just love the way
I'm outta control	That you make me spin, out of control
Going up	I'm outta control
And going down	Going up
I can sense the emptiness	And going down
I can smell the sound of love	I can (9) the emptiness
Plan B, I've got my Plan B	I can smell the sound of love
Don't know if you have it but I (4) to make you see	I can smell the (10) of love
I've got my Plan B	
This is my Plan B
