Something About December by Christina Perri

Lights around the tree	Every (5) dream
Mama's whistling	They (6) in you and me
Takes me back again	Let all your memories hold you close
There's something about December	No matter where you are
We're hanging mistletoe	You're not alone
And hoping (1) it snows	Because the ones you love are never far
I (2) my eyes and then	If (7) is in your heart
I can (3) remember	Lights around the tree
How to get (4) home	Mama's whistling
Let all your memories hold you close	Takes me (8) again
No matter where you are	There's (9)(10)
You're not alone	December
Because the ones you love are never far	Let all your memories hold you close
If Christmas is in your heart	No matter where you are
Who really needs a gift	You're not alone
When love is meant to give	Because the ones you love are never far
I can still recall	If Christmas is in your heart
