

You drink (1) than you used to
Fell in love, how could you
Trust your heart like only fools do
Go on, let it bleed
You smoked ten, now it's twenty
Bet you wish you never met me
To stick around, you must be crazy
Go on, let it bleed
I (2) you never to get used to me
I still awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're (3) deep
I'm a whole lot of trouble
We're in a whole lot of trouble
You shout louder (4) you used to
And you hold on tighter in the bedroom
Stick around like imma change soon
Go on, let it bleed
As you stand there trying to save me

Use your head and, babe, believe me

## Fill in the gaps

Gonna take much more than a (5) to save me
Go on, let it bleed
I (6) you never to get used to me
I still awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never (7) me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
Run away now, (8) your back on me
You'll be praying for the strength to leave
I told you never to get used to me
I still awake (9) you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
