

Trouble by Leona Lewis

Fill in the gaps

You drink more than you used to
Fell in love, how could you
Trust your heart like only (1)_____ do
Go on, let it bleed
You smoked ten, now it's twenty
Bet you (2)_____ you never met me
To stick around, you must be crazy
Go on, let it bleed
I told you never to get used to me
I still awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
You shout louder than you used to
And you hold on tighter in the bedroom
Stick around like (3)_____ change soon
Go on, let it bleed
As you stand there trying to (4)_____ me
Use your (5)_____ and, babe, believe me

Gonna take much more than a heart to save me
Go on, let it bleed
I told you (6)_____ to get (7)_____ to me
I still awake (8)_____ you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
Run away now, turn your back on me
You'll be praying for the strength to leave
I (9)_____ you never to get used to me
I still awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never (10)_____ me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
